James -

Attached is the statement of work (i.e., technical direction) as mentioned in the telephone.

New Mexico Nutrients Technical Direction Draft.docx

While I am familiar with the contract vehicle, I am not familiar with the staff in Washington who will be acting as the task order managers, so I will let you know how things develop but I anticipate that if all goes according to plan, it should be awarded in the mid to late April time frame.

"Far better it is to dare mighty things, to win glorious triumphs, even though checkered by failure, than to take rank with those poor spirits who neither enjoy much nor suffer much, because they live in the gray twilight that knows not victory or defeat." ~ Theodore Roosevelt

"...and 'tis our fast [first] intent to shake all cares and business from our age [of our state]; Conferring them on younger strengths, while we unburden'd crawl toward death..." ~ William Shakespeare's King Lear, Act I

"In every free and deliberating society, there must, from the nature of man, be opposite parties and...dissensions and discords;..." ~ Thomas Jefferson, 1798
